features; 3.2. The mother; 3.2.1. Personal history; 3.2.2. Grammatical

features

Sommario/riassunto

The two volumes of *Englishes around the World* present high-quality

original research papers written in honour of Manfred Gollach, founder

and editor of the journal *English World-Wide* and the book series

Varieties of English Around the World. The papers thematically focus on

the field that Manfred Gollach has helped to build and shape. Volume 2

of *Englishes Around the World* presents studies of so-called "New

Englishes", post-colonial varieties as spoken predominantly in

countries of the former British Empire. There are five contributions on

the Caribbean (covering Jamaica, Guyana, and Trinidad), five articles on

Africa (South Africa, East Africa, and Nigeria), six studies of English in

Asian countries (Japan, the Philippines, India, Singapore, Malaysia, and

Papua New Guinea), and six papers on Australia and New Zealand.

Topics covered range from sociohistorical causes and processes, the

nativization of English in different countries, or the expression of

individual identities by means of the English language through

structural descriptions to sociolinguistic, psycholinguistic,

lexicographic, pragmatic, stylistic, and other matters. The articles in

the respective sections are written by D.R. Craig, L.M. Haynes, P.L.

Patrick, K. Shields-Brodber, and L. Winer; A Banjo, V. de Klerk, R.

Mesthrie, J. Schmied, and P. Silva; R.W. Bailey, R. Begum and T. Kandiah,

A. Gonzalez, R.R. Mehrotra, P. Muhlhäusler, and M. Newbrook; L. Bauer,

S. Butler, M. Clyne, P. Peters and A. Delbridge, G. Tulloch, and G.W.

Turner.
