Sommario/riassunto	""I have the worst birth defect a woman can have: I was born with a penis and a pair of testicles.""Thus we meet Hera, who shares her reason for starting psychoanalysis and whose statement embodies the debate over transgenderism, rigorously dissected in Please Select Your Gender. Is it a mental disorder, as some would claim, or a matter of sexual identity? An orientation or a life choice? Despite differing opinions, transgenderism has lost much of its stigma over the past decade or so - though perhaps none of its shock value. Nevertheless, the door is open for a refor
