Nota di contenuto	Front matter -- Contents -- Series Overview -- Language Policy and Planning in Hungary, Finland and Sweden: Some Common Issues -- The Language Situation in Hungary -- The Language Situation in Hungary: An Update -- The Language Situation in Finland -- Language Planning in Sweden -- Biographical Notes on Contributors
Sommario/riassunto	This volume covers the language situation in Hungary, Finland, and Sweden explaining the linguistic diversity, the historical and political contexts and the current language situation, including language-in-education planning, the role of the media, the role of religion, and the roles of minority and migrant languages. The authors have been participants in the language planning context in these polities.
