Sommario/riassunto	Review comment on the first edition""Wheldall asks himself and his readers what has transpired within the field of educational psychology ... and what its relevance actually is for teaching, learning and education. As such it is a 'must read' for all educational psychologists,

students of educational psychology, teachers and teacher trainers.""
Professor Paul Kirschner, Open Universiteit, British Journal of
Educational TechnologyWhat is the relevance of educational psychology
in the twenty first century? In this collection of essays, leading educatio
