Sommario/riassunto	Are all immigrants from the same home country best understood as a homogeneous group of foreign-born? Or do they differ in their adaptation and transnational ties depending on when they emigrated and with what lived experiences? Between Castro's rise to power in 1959 and the early twenty-first century more than a million Cubans

immigrated to the United States. While it is widely known that Cuban emigres have exerted a strong hold on Washington policy toward their homeland, Eckstein uncovers a fascinating paradox: the recent arrivals, although poor and politically weak, have done more to tra
