Sommario/riassunto

The role of the writing program administrator is one of diverse activities and challenges, and preparation for the position has traditionally come through performing the job itself. As a result, uninitiated WPAs often find themselves struggling to manage the various requirements and demands of the position, and even experienced WPAs often encounter situations on which they need advice. The Writing Program Administrator's Resource has been developed to address the needs of all WPAs, regardless of background or experience. It provides practical, applicable tools to effectively address the
