| Sommario/riassunto      | Ranges widely over the history of ideas, major theorists and the formation of the idea of transgression. Also looks at the definition of the social and its boundaries by Durkheim, Douglas and Freud, at the German tradition of Hegel and Nietzsche,                                                                  |
