

1. Record Nr.	UNINA9910973712603321
Titolo	Hip fracture : setting priorities for effectiveness research : report of a study by a Committee of the Institute of Medicine, Division of Health Care Services // Kim A. Heithoff and Kathleen N. Lohr, editors
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1990
ISBN	1-280-21218-7 9786610212187 0-309-58273-3 0-585-14280-7
Edizione	[1st ed.]
Descrizione fisica	1 online resource (72 pages)
Altri autori (Persone)	HeithoffKim A LohrKathleen N. <1941->
Disciplina	617.158
Soggetti	Hip joint - Fractures - Research Hip joint - Wounds and injuries
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Committee chairman: Kenneth I. Shine. Support provided by the Health Care Financing Administration, U.S. Department of Health and Human Services under Basic Ordering Agreement contract no. 500-89-0008.
Nota di bibliografia	Includes bibliographical references.
