Sommario/riassunto	This book explores C. G. Jung's psychology through the perspective of the existential philosopher Nikolai Berdyaev, drawing striking parallels between Jung's theory of individuation and Berdyaev's understanding of the person. Placing Jung and Berdyaev firmly within the context of secular humanism, Nicolaus draws on their personal experiences of individuation to show how both writers seek to enable a renewal of our self-understanding as persons in a post-religious society. Topics of discussion include:the foundations of Berdyaev's personalismJung's psycholo
