Sommario/riassunto	The Handbook of Research and Policy in Art Education marks a milestone in the field of art education. Sponsored by the National Art Education Association and assembled by an internationally known group of art educators, this 36-chapter handbook provides an overview of the remarkable progress that has characterized this field in recent decades. Organized into six sections, it profiles and integrates the following elements of this rapidly emerging field: history, policy, learning, curriculum and instruction, assessment, and competing perspectives. Because the scholarly foundations of art
