The Case of the Labour Party -- 6. The Story of a Selection -- 7. Applying a Feminist Institutionalist Lens -- 8. Rethinking Political Recruitment -- References -- Notes.
Sommario/riassunto	This book explores the gendered dynamics of institutional innovation, continuity and change in candidate selection and recruitment. Drawing

on the insights of feminist institutionalism, it extends the 'supply and demand model' of political recruitment via a micro-level case study of the candidate selection process in post-devolution Scotland.
