

1.	Record Nr.	UNISALENTO991004128609707536
	Autore	Flynn, Thomas M.
	Titolo	Cryogenic engineering / Thomas M. Flynn
	Pubbl/distr/stampa	New York : Marcel Dekker, c2005
	ISBN	0824753674
	Edizione	[2nd ed., rev. and expanded]
	Descrizione fisica	xi, 895 p. : ill. ; 26 cm
	Disciplina	621.59
	Soggetti	Low temperature engineering
	Lingua di pubblicazione	Inglese
	Formato	Materiale a stampa
	Livello bibliografico	Monografia
	Nota di bibliografia	Includes bibliographical references and index
2.	Record Nr.	UNINA9910973921203321
	Autore	Alexiadou Artemis
	Titolo	Multiple determiners and the structure of DPs // Artemis Alexiadou
	Pubbl/distr/stampa	Amsterdam : , : John Benjamins Publishing Company, , [2014] ©2014
	ISBN	9789027270696 9027270694
	Edizione	[1st ed.]
	Descrizione fisica	1 online resource (146 p.)
	Collana	Linguistik Aktuell/Linguistics Today
	Disciplina	410.367
	Soggetti	English language Language and languages Linguistics
	Lingua di pubblicazione	Inglese
	Formato	Materiale a stampa
	Livello bibliografico	Monografia
	Note generali	Description based upon print version of record.
	Nota di bibliografia	Includes bibliographical references and index.

Multiple Determiners and the Structure of DPs; Editorial page; Title page; LCC data; Table of contents; List of abbreviations; Preface; 1. Introduction; 1. What this book is about; 2. Overview of the empirical domain; 3. Approaching multiple marking; 4. Background: The structure of the DP; 5. Outline of the book; 2. Definite determiner spreading in Greek; 1. The structure of the Greek DP; 2. Definite determiner spreading in the presence of adjectival modification; 2.1 The main pattern; 2.2 The semantic contribution of multiple determiners
2.2.1 The Prominence Condition and Greek clitic doubling
2.2.2 Determiner spreading and Prominence; 2.3 Towards an analysis; 2.3.1 Clitic doubling in the DP; 2.3.2 Determiner spreading does not involve an article realizing a predication relation; 2.3.3 Establishing the generalizations concerning adjectival distribution (again); 2.3.4 Greek determiner spreading does not involve loose apposition; 2.3.5 Greek determiner spreading involves a reduced relative clause structure; 3. Generalized multiple marking in Greek?; 3.1 Other contexts with double marking
3.2 On the properties of the other multiple determiner patterns
3.3 Substantivized adjectives; 3.4 Binominal NPs; 3.5 Pseudopartitives; 3.6 Close apposition; 4. Summary and conclusion; 3. Beyond Greek: Multiple definite determiners in Romance and Germanic; 1. Introduction; 2. Doubling in Romanian; 2.1 The status of the definite article in Romanian; 2.2 Romanian determiner doubling: Introducing cel; 2.3 Romanian and Greek contrasted; 2.3.1 On the similarities between Romanian and Greek; 2.3.2 On the differences between Romanian and Greek; 2.4 Towards an analysis; 3. Doubling in Scandinavian
3.1 Determiners in Scandinavian
3.2 Double marking in Scandinavian;
3.2.1 The suffixed article; 3.2.2 The pre-adjectival article; 3.3 Some differences between Greek/Romanian and Scandinavian; 4. Doubling in the context of superlative adjectives in French; 4.1 General distribution; 4.2 Structuring superlatives; 4.3 Kayne's (2004) analysis; 4.4 An alternative?; 5. What about English?; 4. When adjectival determiners abound; 1. Multiple determiners in Hebrew; 1.1 The distribution of multiple determiners; 1.2 An analysis of Hebrew multiple determiners; 2. Adjectival articles in Albanian
2.1 The distribution of adjectival articles
2.2 An analysis of Albanian adjectival articles; 3. Slovenian adjectival determiners; 4. De in Chinese; 5. Conclusion; 5. Multiple determiners in indefinite noun phrases; 1. Introduction; 2. Doubling in the context of degree words; 3. Towards an analysis of indefiniteness doubling with degree words; 4. Spreading of indefinite articles in adjectival modification; 5. Spreading of indefiniteness in Greek?; 6. Multiple determiners and the structure of DPs: Some conclusions; References; Index

This book is a research monograph that investigates the crosslinguistic distribution of multiple determiners. In some languages, noun phrases permit or even seem to require a double or multiple realization of definite/indefinite markers in certain modification environments. The book develops tools that can be used to keep the different instantiations of the phenomenon apart and argues that a uniform account thereof is not desirable. On the basis of these tools, it advances the proposal that there are different types of multiple occurrences of determiners (and sub-types thereof), some are synta
