Sommario/riassunto

Indigenous people and African descendants in Latin America and the Caribbean have long been affected by a social hierarchy established by elites, through which some groups were racialized and others were normalized. Far from being "racial paradises" populated by an amalgamated "cosmic race" of mulattos and mestizos, Latin America and the Caribbean have long been sites of shifting exploitative strategies and ideologies, ranging from scientific racism and eugenics to the more sophisticated official denial of racism and ethnic difference. This book, among the first to focus on African
