Pubbl/distr/stampa	Oxford ; ; New York, : Oxford University Press, 2000
ISBN	9780190283254 0190283254 9781281346742 1281346748 9780198027331 0198027338
Edizione	[1st ed.]
Descrizione fisica	1 online resource (288 pages)
Disciplina	616.85/89
Soggetti	Attention-deficit hyperactivity disorder People with attention-deficit hyperactivity disorder Children with attention-deficit hyperactivity disorder
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Nota di contenuto	Contents; Preface; 1. Introduction; 2. The Characteristics of Children with Attention-Deficit Hyperactivity Disorder; 3. The Causes of Attention-Deficit Hyperactivity Disorder; 4. The Development of the Child with Attention-Deficit Hyperactivity Disorder; 5. Treatment of the Child with Attention-Deficit Hyperactivity Disorder; 6. Attention-Deficit Hyperactivity Disorder in Adults; 7. Finding Help; APPENDIX: Diagnostic Criteria: Diagnosis of ADHD in Childhood and Adulthood and Related Disorders; Index
Sommario/riassunto	Paul Wender began his career treating children with ADHD 37 years ago and has treated adults with the disorder for almost 30 years. His exhaustive research and insight gained from clinical practice led to the first book about ADHD in children (Minimal Brain Dysfunction in Children, 1971). Continuing research revealed that in many instances ADHD persisted into adult life, and that adult ADHD included symptoms that were not present in childhood. These findings resulted in his 1995 book Attention Deficit Hyperactivity Disorder in Adults. He

also authored the first book for the parents of children
