Sommario/riassunto	'Our inspiration for writing this book springs from a deep feeling for people and a grave concern that without a proper understanding of the reasons for their inhumanity in relation to one another and the development of a compassionate world view, it is likely that human beings may eventually destroy themselves and life on the planet. This work is an attempt to explain the source of destructive behaviour and how it manifests itself in personal relationships between men, women, couples, and families, and in the social arena. We present a position that offers a hope of altering the destiny of hu
