Sommario/riassunto	The fragility of the liberal democratic state after 1789 is illustrated in the history of the European Jews from the French Revolution to the Holocaust. Emancipation and hope of emancipation amongst the European Jewish population created a plethora of Jewish identities and forms of patriotism. This book takes the original approach of studying

European Jewish patriotism as a whole, with particular attention given to creative literature. Despite their growing awareness of racial, genocidal hatred, most European Jews between 1789 and 1939 tended to be patriotic toward the countries of t

## Sommario/riassunto

Written by the former chairman and managing director of the American Institute in Taiwan, this book sheds new light on key topics in the history of U.S.-Taiwan relations. It fills an important gap in our understanding of how the U.S. government addressed Taiwan and the Taiwan Strait issue from the early 1940s to the present. One theme that runs through these essays is the series of obstacles erected that denied the people of Taiwan a say in shaping their own destiny: Franklin Roosevelt chose to return Taiwan to mainland China for geopolitical reasons; there was little pressure on the Kuomintan
