Nota di contenuto	Symbolic possibilities / by Julie Biando Edwards -- Cultural rights and library development and discourse in sub-Saharan Africa : is the colonial legacy still alive? / by Natalia Taylor Poppeliers -- Cultural rights and language rights in libraries / by Frans Albarillo -- We collect, organize, preserve, and provide access, with respect : indigenous peoples' cultural life in libraries / by Loriene Roy and Kristen Hogan -- United Nations Declaration of Human Rights.
Sommario/riassunto	Beyond Article 19: Libraries and Social and Cultural Rights addresses the subject of libraries and cultural rights, a topic that has received relatively little attention in the past, but which librarians and others concerned with human rights are beginning to recognize and talk about. Librarians have long been concerned with individual rights and have worked tirelessly - indeed making it a basic tenet of the profession - to protect and preserve those rights. Little has been written about the role that libraries can play in protecting and promoting group rights, specifically cultural rights. This book examines this shortfall by exploring the relationship between libraries, cultural

rights, and community life and identity.
