Sommario/riassunto

Rousseau's Social Contract is a benchmark in political philosophy and has influenced moral and political thought since its publication. Rousseau and the Social Contract introduces and assesses: *Rousseau's life and the background of the Social Contract* The ideas and arguments of the Social Contract *Rousseau's continuing importance to politics and philosophy* Rousseau and the Social Contract will be essential reading for all students of philosophy and politics, and anyone coming to Rousseau for the first time.
