Sommario/riassunto	A saga about one of the oldest and most romantic enterprises in the land-America's railroads-The Men Who Loved Trains introduces some of the most dynamic businessmen in America. Here are the chieftains

who have run the railroads, including those who set about grabbing power and big salaries for themselves, and others who truly loved the industry. As a journalist and associate editor of Fortune magazine who covered the demise of Penn Central and the creation of Conrail, Rush Loving often had a front row seat to the foibles and follies of this group of men. He uncovers intrigue, greed,
