Sommario/riassunto	Quickly acquire the practical coverage and guidance you need to understand the Individuals with Disabilities Education Act (IDEA) The Individuals with Disabilities Education Act (IDEA) governs how states and public agencies provide early intervention, special education, and

related services to children with disabilities. To understand it thoroughly, school psychologists, teachers, and other school service providers need a comprehensive resource to guide them in what this frequently amended Act means and how it should be interpreted. The first concise, yet authoritative, book of its
