

1. Record Nr.	UNINA9910974398803321
Autore	Brown Robert <1944 Jan 22->
Titolo	Design with microclimate : the secret to comfortable outdoor spaces / / Robert D. Brown
Pubbl/distr/stampa	Washington, : Island Press, c2010
ISBN	9781597269896 1597269891
Edizione	[1st ed.]
Descrizione fisica	1 online resource (193 p.)
Disciplina	712
Soggetti	Landscape architecture - Climatic factors Microclimatology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Intro -- Title Page -- Table of Contents -- Acknowledgments -- Chapter 1: Experiential -- Chapter 2: Vernacular -- Chapter 3: Components -- Chapter 4: Modification -- Chapter 5: Principles and Guidelines -- Appendix -- Notes -- Recommended Reading -- Index.
Sommario/riassunto	Design with Microclimate argues that, as the climate changes and fuels become increasingly expensive, appropriate design of outdoor spaces will become critical. In this practical, informative book, Robert Brown uses vivid illustrations and examples and provides practical tools that can be used in everyday design practice. The heart of the book is Brown's own design process, as he includes useful guidelines to lead designers clearly through the complexity of climate data, precedents, site assessment, microclimate modification, communication, design, and evaluation. Brown strikes an ideal balance of technical information, anecdotes, examples, and illustrations to keep the book engaging and accessible. His emphasis throughout is on creating microclimates that attend to the comfort, health, and well-being of people, animals, and plants.
