Taking Brand Initiative offers a revolutionary approach to corporate Sommario/riassunto branding that looks beyond the marketing value of brands companyto-customer and the HR significance of brands company-to-employee. It places the management of brands at the senior level of management as it radiates throughout the organization. In this groundbreaking book, international branding thought leaders, Mary Jo Hatch and Make Schultz explain how a company's brand is just as important to OoutsidersONpoliticians, suppliers, and analysts as it is to company

insiders. They show how only the corporate brand can integra
