Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Introduction -- Theories of creativity and its contexts -- Theorizing a creative subjectivity -- Aspirants -- The shape of a creative career -- Mature views -- Attractions, exclusions and self-repair -- Contemporary identities of creativity and creative work.
Sommario/riassunto	Employing a cross-disciplinary methodology and analytic approach, the book investigates the new cultural meanings in play around a creative career. It shows how classic ideals of design and the creative arts, re-interpreted and promoted within contemporary art schools, validate the lived experience of precarious working in the global sectors of the creative and cultural industries, yet also contribute to its conflicts. 'Contemporary Identities of Creativity and Creative Work' presents a distinctive study and original findings which make it essential reading for social scientists, including soc
