Sommario/riassunto

This book provides full details of contemporary economic and political developments in Vietnam. It continues the overview of developments up to late 2005 which were covered in the author's Vietnam: A Guide to Economic and Political Developments (also published by Routledge, 2006). Key topics covered include Vietnam's success, in general, in maintaining high rates of growth in the face of problems such as inflation and the global financial crisis; continuing economic reforms; foreign trade and investment; battles against corruption; population growth; the determination of the Comm
