Pagans, perverts or primitives? : experimental justice in the empire of capital / Bill Readings -- 9. Les immateriaux and the postmodern sublime / Paul Crowther.

Sommario/riassunto

The work of Jean-Francois Lyotard signals the return of judgement to the centre of philosophical concerns. This collection of papers is the first devoted to his work and provides an estimation and critique of his writings, and included Lyotard's important essay on Sensus Communis.
