Sommario/riassunto	Ever since the publication in 1974 of Robert Nozick's Anarchy, State, and Utopia, libertarianism has been much discussed within political philosophy, science and economy circles. Yet libertarianism has been so strongly identified with Nozick's version of it that little attention has been devoted to other than Nozick's ideas and arguments. While

Nozick's version of libertarianism has preoccupied the academic discussion. Nozick himself did not respond to the many criticisms raised and yet other defenders of libertarianism have not remained silent. Jan Narveson, Loren Lomasky, Eric Mack, Douglas R
