

1. Record Nr.	UNISALENTO991000714309707536
Autore	Weil, André
Titolo	Basic number theory / André Weil
Pubbl/distr/stampa	Berlin : Springer-Verlag, 1973
ISBN	3540061770
Edizione	[2nd ed]
Descrizione fisica	xviii, 312 p. ; 24 cm.
Collana	Grundlehren der mathematischen Wissenschaften = A series of comprehensive studies in mathematics, 0072-7830 ; 144
Classificazione	AMS 11R
Disciplina	512.74
Soggetti	Algebraic number theory Class field theory
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia

2. Record Nr.	UNINA9910974666803321
Titolo	Century of change : Symposium on African Unity // editor, John Wilson Forje ; foreword by Samia Nkrumah
Pubbl/distr/stampa	New York, : Nova Science Publishers, c2011
ISBN	1-61122-367-9
Edizione	[1st ed.]
Descrizione fisica	1 online resource (267 p.)
Collana	African political, economic, and security issues
Altri autori (Persone)	ForjeJohn W
Disciplina	341.24/9
Soggetti	Regionalism (International organization) - Africa African cooperation Africa Politics and government 21st century Congresses
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.

Sommario/riassunto

Discusses the opportunities as well as problems facing the proposed Union Government of Africa from diverse disciplines. This book explores in different ways and perspectives the theoretical foundation of African integration, including an examination of historic antecedents in the African regional integration process.
