Sommario/riassunto

For some, a job is just a way to pay the bills. For others -- those whose careers fit their passions and personalities -- it is a source of great satisfaction and success. Career Match is designed to help people discover their ideal work. Using the author's revealing ten-minute self-assessment, the book helps readers determine their personality style, then walks them through the range of career choices best for them. This indispensable guide will enable anyone to: * identify the type of work that will inspire and exhilarate them * recognize the type of boss and work environment they need to thrive * confirm the rightness of the path they are on -- or help them find a better one * speed up their job search.
