Sommario/riassunto	Following the familiar, easy-to-use at a Glance format, OSCEs at a Glance 2nd Edition is both a revision guide and a comprehensive introduction to objective structured clinical examinations for medical students. Fully revised to suit the current curriculum, and written with student feedback and experiences in mind, this full-colour textbook contains brand new and comprehensively indexed chapters which include 32 new OSCE stations, covering distinct areas of specialisation as well as broader practical and communication skills covered in the exams. This new edition of OSCEs at a Glance is also supported by a companion website at www.ataglanceseries.com/osces containing downloadable OSCE checklists - perfect for testing knowledge in the run-up to exams.
