Sommario/riassunto	By the end of 1914, almost every Western state and territory had enfranchised its female citizens in the greatest innovation in participatory democracy since Reconstruction. These Western successes stand in profound contrast to the East, where few women voted until after the ratification of the Nineteenth Amendment in 1920, and the South, where African-American men were systematically disenfranchised. How did the frontier West leap ahead of the rest of the nation in the enfranchisement of the majority of its citizens? In this provocative new study, Rebecca J. Mead shows that Western suffrage.
