Sommario/riassunto	This clear, reader-friendly book is carefully designed to help readers gain confidence and acquire competence in their academic writing abilities. It focuses on real people as they write and actively involves readers in the writing process. The authors' innovative approach encourages reflection on how professional writing initiatives connect to the personal self. For pre-service and in-service teachers, graduate students, school administrators, educational specialists, and all others involved in the educational enterprise, effective writing is important to professional success.
