| Sommario/riassunto      | This is a controversial collection of brand new papers by some outstanding philosophers and scholars. Its aim is to offer comprehensive theistic replies to the traditional arguments against the                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

existence of God.
