Sommario/riassunto

Italy Today represents one of the most comprehensive examinations of contemporary Italy. It is a provocative and an innovative collection that aims to highlight the current 'crisis' of the country through an analysis of several different 'dark shadows' of contemporary Italian society. Italy already had a long history of 'unsolved' issues, several chronic problems and contradictions that have been ignored for a very long time, during which they have assumed dramatic proportions and gravity. The peninsula has now become the 'Sick Man of Europe', a country facing a veritable decli

Sommario/riassunto

Happiness at work - your quality of life & sometimes your life depends on it. Work is an important part of modern life, as it always has been, but work has become more complicated than before. This book presents a mathematical formula from which the created value of an employee can be found, if the working life quality is known.
