"All Colors, All Religions, All United": Women Workers in California's Canneries; Epilogue: After Modotti; Bibliography; Index; About the Author
Sommario/riassunto	Examining films, literature, songs, and photographs with an emphasis on a feminist materialist interpretation, Producing Culture considers the representations of different kinds of labor historically performed by women in Italy and the U.S. in order to reassess dominant narratives about the history of Italy and of Italians in the United States.
