Sommario/riassunto

This volume constitutes the papers of two workshops which were held in conjunction with the International Conference on Web Engineering, ICWE 2024, held in Tampere, Finland, on June 17, 2024. The 6 revised full papers and 2 short papers presented in this book were carefully reviewed and selected from 14 submissions. They stem from the following workshops: Fourth International Workshop on Big Data Driven Edge Cloud Services (BECS 2024) Third International Workshop on Web Applications for Life Sciences (WALS 2024).
