Nota di contenuto

Immediate context : authors and texts, a network of preachers -- Institutional context : the early University of Paris constructs the holy land -- Exemplary descriptions of sermon texts -- The loss of the cross relic : the tragedy of an elect people -- The loss of Jerusalem : jeopardizing the Kingdom of Heaven -- The Holy Land : terminology, borders, and providential itineraries -- The paradox of failure in the Holy Land : a tradition after the Second Crusade -- The crusades and the apocalypse : Jerusalem as an eschatological state -- Media context : the material evidence as an archaeological artefact -- Historical context : mobilization, audience, and the liturgical calendar.

Sommario/riassunto

This book offers the first substantial investigation of the preaching and mobilization of the Third Crusade (1187-1192), an expedition of preeminent historical importance. Assembling roughly 200 sermon texts and 100 manuscripts, it fundamentally contests the hitherto chronicle-based historiography.
