| Sommario/riassunto      | This book delves into the enigmatic nature of charismatic personalities, exploring their unique traits and the underlying psychological and social factors that shape them. It profiles a range of charismatic individuals from various fields, including religion, business, and entertainment, and examines their rise to prominence and subsequent struggles. The author, Taso G. Lagos, aims to illuminate the complex interplay between charisma and personal history, particularly focusing on the common experience of early emotional deprivation. The book offers insights into the ways charismatic figures impact society and the personal costs they often incur. It is intended for readers interested in psychology, human behavior, and the influence of charismatic leaders. |
