Gender-transformative Theories Of Change -- 8.7. Monitoring Consequences -- 8.8. Summary -- Review Questions. References -- Index -- Back Cover.

Sommario/riassunto

This book, 'Promoting Change through Social Protection,' explores the role of social protection policies and programs in addressing gender inequality and empowering women and girls. It examines how social protection measures, including cash transfers, healthcare services, and employment, can be utilized to challenge and transform gender norms and power dynamics. The book provides a comprehensive analysis of how these interventions can alleviate poverty, reduce vulnerability, and promote gender equality. It includes case studies and practical insights into successful initiatives worldwide, emphasizing the importance of inclusive and gender-sensitive program design. The book is a valuable resource for policymakers, researchers, and advocates committed to fostering gender equality and social justice.
