Sommario/riassunto	"The sixth edition of Nursing Home Administration contains essential information to prepare an individual for licensure and employment as a nursing home administrator. This book addresses all regulatory pieces of information to provide readers with an overview of the entire process of managing a nursing facility. This edition has been updated to reflect the most accurate and up-to-date information to reflect new legislation and regulations passed since previous edition in 2008. This textbook serves as a roadmap for studying and understanding all the various requirements-management, human resources, finance and business, industry laws and regulations, and patient care. It demonstrates how all components fit together to form the coordinated activity set required of

a successful nursing home administrator"--Provided by publisher.
