Sommario/riassunto	This book gathers selected contributions from the 10th Annual Conference of the Global Corporate Governance Institute, held in Sibiu, Romania on June 12 - 14, 2024. Its chapters present the work of internationally respected scholars and experts, focusing on corporate social responsibility, sustainability, ethics, corporate governance, finance, and responsible investing. In this context, it highlights the latest research findings on responsible action and their practical implications for business, society, science, and politics. The book pursues an integrated and multidisciplinary approach and equips readers with the knowledge they require for implementing holistic and effective sustainability strategies in organizations and educational institutions. Accordingly, it offers a valuable resource for academics, policymakers, business leaders, and sustainability practitioners who want to drive meaningful change for a sustainable future.
