Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	&lt;p&gt;Gathering together over 60 new and revised discussions of textual issues, this volume represents notorious problems in well-known texts from the classical era by authors including Horace, Ennius, and Vergil. &lt;/p&gt;&lt;p&gt;A follow-up to &lt;i&gt;Vegiliana: Critical Studies on the Texts of Publius Vergilius Maro &lt;/i&gt;(2017), the volume includes major contributions to the discussion of Horace's Carmen IV 8 and IV 12, along with studies on Catullus Carmen 67 and Hadrian's Animula vagula, as well as a new contribution on Livy's text at IV 20 in connection with Cossus's spolia opima, and on Vergil's Aeneid 3. 147-152 and 11. 151-153. On Ennius, the author presents several new ideas on Ann. 42 Sk. and 220-221, and in editing Horace, he suggests new principles for the critical apparatus and tries to find a

balance by weighing both sides in several studies, comparing a conservative and a radical approach.</p><p>Critica will be an important resource for students and scholars of Latin language and literature.</p>
