Sommario/riassunto	Revised from the 1982 edition. The 1988 market for adhesives and sealants was estimated at \$5.1 billion, with projections for 1995 at \$12 billion. This handbook contains descriptions of some 2200 materials which are currently available to the industry. Arrangement is by category and then by company, the products being listed under the company name and described in the manufacturer's words. Annotation copyrighted by Book News, Inc., Portland, OR
