Sommario/riassunto	This lively and original account of early Celtic Christianity - which was of far greater importance in the development of Western culture than we commonly realize - is told against the background of European history of the first seven centuries A.D. It focuses on the lives of Saints Brendan, Columba, and Columbanus, who lived active and effective lives in the cause of the early Church. Brendan, one of the founding fathers of Christianity in Ireland, was known in legend as a voyager and was thought to have reached the Western Hemisphere long before the Vikings. Columba took Celtic Christianity

Sommario/riassunto	For more than a quarter century, Sittig's Handbook of Toxic and Hazardous Chemicals and Carcinogens has proven to be among the most reliable, easy-to-use and essential reference works on hazardous materials. Sittig's 5th Edition remains the lone comprehensive work providing a vast array of critical information on the 2,100 most heavily used, transported, and regulated chemical substances of both occupational and environmental concern. Information is the most vital resource anyone can have when dealing with potential hazardous substance accidents or acts of terror. Sittig's provides ex
