1.	Record Nr.	UNINA9911006509903321
	Autore	Newcombe Lee
	Titolo	Securing cloud services : a pragmatic approach to security architecture in the cloud / / Lee Newcombe
	Pubbl/distr/stampa	Ely, Cambridgeshire : , : IT Governance Publishing, , 2012
	ISBN	9781628700190
		162870019X
		9781849283984
		1849283982
		9781299468597
		1299468594
		9781849283977
		1849283974
	Descrizione fisica	1 online resource (329 p.)
	Disciplina	004.36
		004.6782
		006.78
	Soggetti	Cloud computing - Security measures
		Computer security
		Web services - Security measures
	Lingua di pubblicazione	Inglese
	Formato	Materiale a stampa
	Livello bibliografico	Monografia
	Note generali	Description based upon print version of record.
	Nota di bibliografia	Includes bibliographical references.
	Nota di contenuto	Introduction to cloud computing -- Overview of existing cloud taxonomies and models -- The security balance -- Security threats associated with cloud computing --- Privacy and data security concerns -- Introduction to security architecture -- Application of security architecture to cloud computing -- Security and the cloud -- Security and infrastructure as a service -- Security and platform as a service -- Security and software as a service -- Looking ahead.
	Sommario/riassunto	This book provides an overview of security architecture processes and explains how they may be used to derive an appropriate set of security controls to manage the risks associated with working in the Cloud.
