

1. Record Nr.	UNINA9911006528803321
Titolo	A performance-related specification for hot-mixed asphalt
Pubbl/distr/stampa	[Place of publication not identified], : Transportation Research Board, 2011
ISBN	1-62198-235-1
Descrizione fisica	1 online resource (185 p.)
Collana	NCHRP report A performance-related specification for hot-mixed asphalt
Soggetti	Pavements, Asphalt - Design and construction Roads - Technological innovations Pavements, Asphalt Civil & Environmental Engineering Engineering & Applied Sciences Transportation Engineering
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Research overview -- Development of the QRSS performance models -- Development of the quality related specification and software -- QRSS general procedure -- Summary, conclusions, and research.
