

1. Record Nr.	UNINA9911006587103321
Titolo	Liquid hydrocarbon storage tank fires : prevention and response : a collection of booklets describing hazards and how to manage them
Pubbl/distr/stampa	[Place of publication not identified], : Institution of Chemical Engineers, 2008
ISBN	1-61583-511-3
Collana	BP process safety series Liquid hydrocarbon storage tank fires
Disciplina	665.5/420289
Soggetti	Oil storage tanks - Safety measures Hydrocarbons - Safety measures Petroleum industry and trade - Safety measures Chemicals - Fires and fire prevention Petroleum industry and trade - Fires and fire prevention Fire extinction - Equipment and supplies Chemical & Materials Engineering Engineering & Applied Sciences Chemical Engineering
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
