

1. Record Nr.	UNINA9911006682003321
Titolo	Chemistry of superconductor materials : preparation, chemistry, characterization, and theory
Pubbl/distr/stampa	[Place of publication not identified], : Noyes Publications, 1991
ISBN	0-8155-1642-8
Collana	Materials science and process technology series Chemistry of superconductor materials
Disciplina	537.6/23
Soggetti	Superconductors - Chemistry Physics Physical Sciences & Mathematics Electricity & Magnetism
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
