

1. Record Nr.	UNINA9911006693403321
Autore	Neeb Karl-Heinz
Titolo	The Radiochemistry of Nuclear Power Plants with Light Water Reactors / / Karl-Heinz Neeb
Pubbl/distr/stampa	Berlin ; ; Boston : , : De Gruyter, , [2011] ©1997
ISBN	9781680152159 1680152157 9783110812015 3110812010
Descrizione fisica	1 online resource (740 pages) : illustrations
Classificazione	VE 8300
Disciplina	621.48/34
Soggetti	Light water reactors - Materials Nuclear power plants Radiochemistry - Industrial applications
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Frontmatter -- Preface -- Table of Contents -- Introduction -- Part A Design of light water reactor nuclear power plants -- Part Radiochemistry during normal operation of the plant -- Part C Radiochemistry under the conditions of reactor accidents -- Subject Index
