

1. Record Nr.	UNINA9911006768003321
Titolo	Food science and technology bulletin. Volume 6 Functional foods
Pubbl/distr/stampa	[Place of publication not identified], : IFIS Publishing, 2010
ISBN	1-282-52921-8 9786612529214 0-86014-191-8 1-61583-516-4
Edizione	[3rd ed.]
Descrizione fisica	1 online resource (114 p.)
Disciplina	613.2
Soggetti	Human Anatomy & Physiology Health & Biological Sciences Physiology
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Cover -- Contents -- 1 OPINION PAPER Health claims on foods: strength of the evidence and problems of proof -- 2 An introduction to probiotics for dental health -- 3 Probiotics for the elderly -- 4 The nutritional and health benefits of almonds: a healthy food choice -- 5 Alterations of immune function and gut microbiota with ageing -- 6 Flax lignans: new opportunities for functional foods -- 7 Development and functional properties of Bimuno:a second-generation prebiotic mixture -- 8 The application of probiotics, prebiotics and synbiotics in companion animals -- 9 Prebiotics and probiotics: potential strategies for reducingtravellers' diarrhoea in athletes competing abroad.
Sommario/riassunto	Food Science and Technology Bulletin: Functional Foods is an online review journal that delivers concise and relevant peerreviewed minireviews of developments in selected areas of functional foods. Newly published minireviews are compiled to form an annual printed volume. Contents for Volume 6 of the Bulletin include minireviews on: An introduction to probiotics for dental health; The nutritional and health benefits of almonds: a healthy food choice; Probiotics for the elderly; Flax lignans: new opportunities for functional foods; The application of probiotics, prebiotics and synbiotics in companion

animals; and Prebiotics and probiotics: potential strategies for reducing travellers' diarrhoea in athletes competing abroad.
