Sommario/riassunto	"Despite the high stakes, comprehensive resources on program management are surprisingly scarce. That's where The Practitioner's Guide to Program Management, Second Edition, steps in to fill the void. This updated edition of the original classic provides a systematic approach to program management, addressing the critical need for clear definitions and practical guidance. Divided into strategic and tactical parts, the book covers everything from executing corporate strategy through programs to delivering them on time and within budget. With easy-to-follow chapters and helpful visuals, this guide empowers program managers to standardize practices and reduce inconsistencies, ensuring successful outcomes time and time again"-- Provided by publisher.
